IT LOOKS GREAT

Thank you for choosing to feature my work in your September/October issue. It all looks great! I appreciate Jenny Lang and writer Vicki Stavig. And thanks for sending me magazines copies, as well.

APPRECIATE YOUR SPONSORSHIP

It was a pleasure meeting Amy and Andy Krane at the Woolaroc show. We appreciate the article and your sponsorship of the Celebrating Richard Schmid's Legacy event very much.

ABOVE AND BEYOND

A huge thank you to everyone at the magazine for featuring me in the September/October issue. The article is beautifully and thoughtfully written. Thank you, Mark Wilcox for your time and effort. I appreciate your generosity in sending so many copies, as well. I've been dispersing them among family and friends.

I also received the laminated print of my painting and article; what a lovely surprise! The *Art of the West* team is a class act and has gone above and beyond in every way. Thank you so much for the encouragement and for keeping me traveling the artist's path.
